8996 1,1,1 Trichloroethane Dryer
9046 2000 HP Computerized Dynamometer System
165 4 Axis NC Machining Center with Pallet Changer
9172 5-Axis Robotic Water Jet Abrasive Cutting Workcell
333 5526A Measuring System
57959 Abrasive Blasting
125 Abrasive Flow Machine
9156 Abrasive Water Jet Cutter
41392 Accelerate Development of Usable Volatile Organic Compound (VOC) Coatings
41405 Addressing Environmental Issues in the Acquisition World
173 Adhesive Bonding of Avionics Modules
220 Advanced Bonding Techniques (Honeycomb Repair Center)
254 Advanced Circuit Card Repair
32 Advanced Composite In-service NDE System
269 Advanced Computed Tomography NDI System
37902 Advanced High Temperature Graphite Polyimide Repair
224 Advanced Neutron Radiography (Advanced Mobile Neutron Radiography)
374 Advanced Laser Balancing Machine for the AGT 1500 Turbine Engine
34 Advanced Second Layer NDE Systems Producibility
289 AEP Coating Equipment
226 AFLC Robotics Application Study
137 Air Assisted Airless Paint System
61949 Air Compressor Signaling and Monitoring System
55718 Air Force Paint Spray Booth Flow Reduction
246 Air Force Video Teleconference Network (VTCN)
41408 Air Quality Utilities Information System (AQUIS)
8997 Air-Water Spray Guns/Electroplating Ops
9026 Aircraft Coating by Air-Assisted Electrostatic Paint Spray with Component Mixing
1917 Aircraft Corrosion Control Chemical Dispensing System
11773 Aircraft Exterior Paint Stripper
8961 Aircraft Fuel Tank Foam Drying, Phases 3, 4
179 Aircraft Robotic Paint System
283 Aircraft Wash/Paint Preparation System
11803 Aircraft Washrack Water-Blast Recycling System
261 Aircraft Wheel Inspection Improvements
9132 Allison Electrophoretic Process (AEP)
56346 Alternate Aircraft Surface Finishes
45802 Alternate for Cyanide Based Corrosion Removing Compound
8986 Alternative Chemical Paint Strippers for CARC
58013 Alternative Coolant for Minuteman Missile Guidance Set
57957 Alternative Solvent for PD-680 Type II
37925 Aluminum Conversion Coating (CCC) Proposal
9104 Aluminum Ion-Vapor Deposition
233 Analog Circuit Simulator
184 Analytical Industrial Measuring System (AIMS)
72519 Anti-Freeze Recycler

126 Rejuvenation of Rotating Components
114 Rejuvenation of Static Engine Components
57548 Remediation of Paint Waste
9170 Repair Technology (REPTECH) for Printed Circuit Assemblies (Formerly Laser Soldering/Desoldering of Circuit Boards)
8958 Replace and/or Modify Waterfall Paint Booth
41419 Replacing Hazardous Chemicals with Water Base Biodegradable Cleaners
8987 Replacement of Cadmium Plating with Zinc Plating
8985 Replacement of Hard Chrome Plating with Metal Spray
72522 Re-Refined Motor Oil
48532 Resonant Ultrasound Second Harmonic Inspection (RUSHI)

9135 Retirement for Cause/Nondestructive Evaluation Inspection System (RFC/NDE)
 41425 Reverse Osmosis
 56 Rigid Foam in Helicopter Structures
 94 Rim Molded Helicopter Secondary Structures (Bellcranks) for AHIP
 37873 RMATS Digital Multimedia Information System
 9009 Robotic Adaptive Welding System (RAWS)
 9112 Robotic Application of Flame Spray
 49 Robotic Application Study for ALCs
 79 Robotic Blast Cleaning of Tactical Vehicles
 256 Robotic Canopy Polishing System (RCPS)
 67 Robotic CARC Paint and Blasting System
 376 Robotic Control of Laser Welding
 51 Robotic Deriveter
 363 Robotic Laser Cutting
 178 Robotic Laser Paint Stripper
 92 Robotic Metal Spray System (RMSS)
 239 Robotic Non-Destructive Inspection, X-Ray and N-Ray System
 9142 Robotic Paint Cell
 297 Robotic Painting
 9163 Robotic Painting
 9113 Robotic Painting of Missile Components
 280 Robotic Painting of Wing Folds
 9028 Robotic Plasma Spray System (RPSS)
 9160 Robotic Plastic Bead Blasting Systems
 3 Robotic Polyurethane Camouflage Painting
 76 Robotic Polyurethane Camouflage Painting of Tactical Wheeled Vehicles (TWV)
 60 Robotic Polyurethane Camouflage Painting System
 232 Robotic Radome Painting System
 61 Robotic Repair of Printed Circuit Boards (PCB)
 91 Robotic Rubber Injection Molding of Double Pin Track (Phase I)
 9136 Robotic Shotpeening and Grit Blasting
 65 Robotic Van Drilling and Printing
 9164 Robotic Van Panel Assembly
 4 Robotic Water Jet Material Removal System
 62 Robotic Welding
 6 Robotic Welding of M113A2 Suspension
 230 Robotic Wing Desealing System
 295 Roboticized Airfoil Grinding Cell
 41 Rotor Stacking Process Cell
 116 Rotor Straight Stack Processing Cell
 242 Router System-Printed Wiring Board (PWB) Facility
 202 Scanning Electron Microscope
 118 Semi-automated Blade Weighing System
 188 Semi-Rigid Coaxial Cable Repair and Manufacture
 264 Sensitization Measurement Procedures for Metals
 135 Serviceable Stacker Computer Upgrade
 8976 Sewage Pretreatment Plant
 8951 Shift-to-Shift Paint Carryover System
 9153 Shaft and Disk Alignment Center (SADAC)
 263 Single-Step Magnetic Particle Inspection
 11781 Sludge Dryer
 8998 Sludge Drying Ovens
 37906 Small Component Processing Line for Engine Start Systems (ESS) Workloads
 128 Small NC Lathe
 272 Small Parts Bead Blast System
